Students: Aspire to do better

Lady Monarchs we are more than half way through the school year. Final and AP exams are right around the corner. Don't forget the daily quizzes and tests. We have to keep going and maintain those grades. Listed below is a simple study system that any student will be able to utilize in order to stay on track.

A: Have a positive approach / Attitude

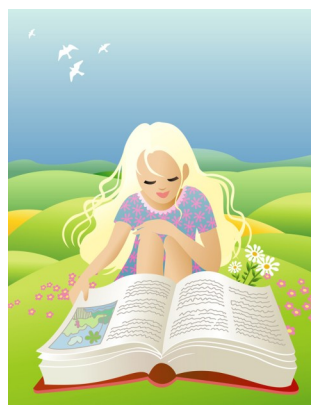

S: Study everyday for at least an hour

P: Be proactive and prioritize

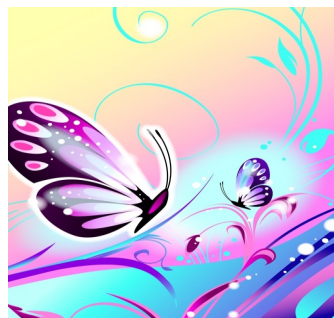

I: Inquire about what you did not understand. Ask a teacher or form a study group.

R: Reflect on the material. Can you explain what you have learned to someone else?

E: Your effort should reflect your grades

Study, study, study ... Everyday and always aspire to do your very best!

Quote of the Month:

"In the end nothing we do or say in this lifetime will matter as much as the way we have loved one another."

Daphne Kingma

B.U.D.S

Calling all brothers, uncles, dads, and significant others. YWPA is starting a new group to help increase participation from the males in the lives of our students.

The name of the group is B.U.D.S—Brothers, Uncles, Dads and Significant Others.

Mr. Cantero (YWPA father), Mr. Quarles (YWPA faculty), and Mr. Nieves (YWPA faculty) are the founding members.

The next meeting is scheduled for Thursday, March 18th at 6:30 p.m. in the teacher lounge.

Parents: Get to know the Five W's

When your daughter is heading out the door Saturday night, you should know:

Who are you going out with?

What time should I call to check in with you?

Where are you going?

When will you be home?

Why isn't an adult driving you? This should be asked if another teen is driving. See how long the driver has had a valid driver's license.
